LIMITATIONS

Limitation on Benefits under Multiple Plans. If an Insured is covered under one or more of the same plans for the same Trip underwritten by the Company or any of its affiliates, and if the Insured suffers a Loss from an Unforeseen incident for which one or more benefits are payable under more than one same type plan for that Insured, the maximum amount payable under all of the Benefits combined will not exceed the amount payable for one of those losses, the largest, subject to the maximum amount payable under such plan with the largest maximum.

LOSS PROVISIONS

Automated Claims Procedures: The Travel Insurance Administrator will evaluate claims based, in part, on proof of loss information that is publicly available. If the Travel Insurance Administrator can validate all required proof of loss information without the assistance of the Insured, the Travel Insurance Administrator will process the claim and notify the Insured via phone, email, online claims system, or mobile application claims system.

Notice of Claim: The Insured must provide the Travel Insurance Administrator with notice of a claim as soon as reasonably possible, and the Insured must provide proof of any Loss in the manner required by this Policy. Acceptable forms of notification are phone, email, online claims system, mobile application claims system, and/or the automated claim identification process offered by the Travel Insurance Administrator.

Claim Forms: The Company will provide You, or someone acting on Your behalf, with forms for the filing of a proof of loss within 15 days of receiving a notice of claim from You, or someone acting on Your behalf. Claim forms can be found at the web address shown on the Declarations Page.

Proof of Loss: The Insured must provide sworn proof of loss to the Travel Insurance Administrator no more than 90 days after a covered Loss occurs or ends, or as soon after that as is reasonably possible. All claims under the Policy must be submitted to the Travel Insurance Administrator no later than one year after the date of Loss. The Company is not obligated to cover any Loss if the Insured submits a notice of claim or proof of loss over one year after the date of Loss.

Flight Delay Proof of Loss: For any proof of Loss for Flight Delay coverage, the Insured must provide the Travel Insurance Administrator with documentation from the airline of the delay and the reason for the delay. The Insured must also provide the Travel Insurance Administrator with Travel Documents confirming the Insured was scheduled to take the Trip that was delayed.

Missed Connection Proof of Loss: For any proof of Loss for Missed Connection coverage, the Insured must provide the Travel Insurance Administrator with each of the following items:

- a) documentation of the delay that caused the misconnection;
- b) Travel Documents indicating the Insured was scheduled to take the trip that was delayed; and
- c) documentation showing the actual arrival time of the departed flight and departure time of the continuing flight.

Time of Payment of Covered Claims: Covered claims will be paid in a reasonably prompt manner following the date the Travel Insurance Administrator receives a complete and satisfactory proof of covered Loss.

Payment of Covered Claims:

Benefits are payable to the Insured who applied for coverage and paid any required plan cost.

If a benefit is payable to a minor or other person who is incapable of giving a valid release, the Company may pay a relative by blood or connection by marriage who has assumed care or custody of the minor or responsibility for the incompetent person's affairs. Any payment the Company makes in good faith fully discharges the Company to the extent of that payment.

Claim Fees: No claim fees will be assessed for claims submitted through the Travel Insurance Administrator's web site, shown on the Declarations Page. Covered claims submitted by phone, fax, email, or through a paper mail delivery service, similar to the U.S. Postal Service, FedEx, UPS, or DHL, will incur a fee of \$25 USD. The claim fee will be deducted from the claim payment.

Settlement of Loss: Claims for damage and/or destruction shall be paid after acceptable proof of the damage and/or destruction is presented to the Company and the Company has determined the claim is covered. Claims for lost property will be paid after the lapse of a reasonable time if the property has not been recovered. You must present acceptable sworn proof of Loss and the value involved to the Company.

Disagreement Over Size of Loss: If there is a disagreement about the amount of the Loss either You or the Company can make a written demand for an appraisal. After the demand, You and the Company will each select Your own competent appraiser. After examining the facts, each of the two appraisers will give an opinion on the amount of the Loss. If they do not agree, they will select an arbitrator. Any figure agreed to by two of the three (the appraisers and the arbitrator) will be binding. The appraiser selected by You is paid by You. The Company will pay the appraiser they choose. You will share equally with the Company the cost for the arbitrator and the appraisal process.

GENERAL PROVISIONS

Any payments under the Policy will only be made in full compliance with all United States of America economic or trade sanction laws or regulations, including, but not limited to, sanctions, laws and regulations administered and enforced by the U.S. Treasury Department's Office of Foreign Assets Control ("OFAC"). Therefore, any expenses incurred or claims made involving travel that is in violation of such sanctions, laws and regulations will not be covered under the Policy. For more information, you may consult the OFAC internet website at www.treas.gov/offices/enforcements/ofac/ or a Travel Insurance Administrator representative.

Assignment. An Insured may not assign any of his or her rights, privileges or benefits under the Policy.

Company's Recovery Rights. In the event of a payment under the Policy, the Company is entitled to all rights of recovery that the Insured, or the person to whom

payment was made, has against another. The Insured must sign and deliver to the Company any legal papers relating to that recovery, do whatever is necessary to help the Company exercise those rights, and do nothing after the Loss to harm the Company's rights. When an Insured has been paid benefits under the Policy but also recovers from another insurance policy, the amount recovered from the other policy shall be held in trust for the Company by the Insured and reimbursed to the Company to the extent of the Company's payment.

Concealment or Fraud. The Company is not obligated to provide coverage if the Insured has intentionally concealed or misrepresented any material fact or circumstance relating to the Policy or claim.

Controlling Law. Any part of the Policy that conflicts with the state law where the Policy is issued is changed to meet the minimum requirements of that law.

Entire Contract. This Policy, Your application or enrollment material, and any attachments represent the entire insurance contract between You and the Company.

Legal Actions. No action at law or in equity may be brought to recover on the Policy prior to the expiration of 60 days after written proof of Loss has been furnished in accordance with the requirements of the Policy. No action may be brought to recover under the Policy after the expiration of 3 years from the applicable date of Loss. ***Any dispute shall be governed by Mediation and Arbitration as set forth below.*** To the extent applicable law does not allow for mediation or binding arbitration the Insured waives the right to a jury trial in any legal action asserted under or in connection with the Policy. The prevailing party in any lawsuit related to the Policy shall be entitled to reimbursement of all reasonable costs and expenses associated with the lawsuit, including attorneys' fees. ***Any lawsuit related to this Policy must be brought where the dispute arose and in a court of competent jurisdiction within the United States.***

Mediation. Prior to the initiation of an Arbitration as to any issues in dispute under the Policy, the Company or any Insured shall conduct a mediation pursuant to the Judicial Arbitration, Mediation and ADR Services ("JAMS") by written notice to either Party. If JAMS is no longer in existence at the time of the potential dispute, then the Company may refer the potential dispute to the successor to JAMS or to a comparable alternative dispute resolution provider. Upon receipt, the Chairman of JAMS shall appoint a single neutral arbitrator from JAMS to resolve the potential dispute in the jurisdiction where the dispute arose. The arbitrator appointed shall

follow the JAMS dispute resolution protocol. Any Mediation shall be resolved in sixty (60) days.

Arbitration. If any dispute cannot be resolved by Mediation above, the Company and one or more Insured(s) with respect to the rights of such Insured(s) under this Policy, shall be submitted to binding arbitration, which shall be the sole forum for the resolution of disputes under or in connection with this Policy if Mediation is unsuccessful, upon the written request of any Party. The Commercial Arbitration Rules of the American Arbitration Association shall apply, except with respect to the selection of arbitrators, the payment of arbitration fees and costs, the location and the entry of the arbitration award.

Selection of Arbitrators: One arbitrator shall be chosen by one side and another arbitrator by the other side, and a third arbitrator shall be chosen by the first two arbitrators before they enter into arbitration. All arbitrators shall be disinterested.

Payment of Arbitration Fees and Costs: Each side shall pay the fee of its chosen arbitrator and half the fee of the third arbitrator. The remaining costs of the arbitration, including legal fees and disbursements, shall be paid as the written decision of the arbitrators directs, with it being expressly understood that the intention is to favor reimbursement of such fees and expenses to an insured that has brought a meritorious dispute. The fees to be borne by a side consisting of more than one Party shall be divided equally among such Parties.

Location: Any arbitration hereunder shall take place in New York, New York, unless otherwise mutually agreed upon by the two sides.

Entry of Arbitration Award: Judgment upon an arbitration award hereunder may be entered in, and enforced by, any court of competent jurisdiction.

Other Insurance With Us: You may be covered under only one travel policy with the Company for each Trip. If You are covered under more than one such policy, You may select the coverage that is to remain in effect. In the event of death, the selection will be made by the beneficiary or estate. Premiums paid (less claims paid) will be refunded for the duplicate coverage that does not remain in effect.

Payment of Premium. Coverage is not effective unless all premium and other fees due have been paid to the Travel Insurance Administrator prior to a date of Loss or insured occurrence.

Transfer of Coverage. Coverage under the Policy cannot be transferred by the Insured to anyone else.

NOTICE CONCERNING POLICYHOLDER RIGHTS IN AN INSOLVENCY UNDER THE MISSOURI PROPERTY AND CASUALTY INSURANCE GUARANTY ASSOCIATION

- A. Subject to the provisions of the Missouri Property and Casualty Insurance Guaranty Association Act (to be referred to as the "Act"), if the Insurer is a member of the Missouri Property and Casualty Insurance Guaranty Association (to be referred to as the "Association"), the Association will pay claims covered under the Act if the Insurer becomes insolvent.
- B. The Act contains various exclusions, conditions and limitations that govern a claimant's eligibility to collect payment from the Association and affect the amount of any payment. The following limitations apply subject to all other provisions of the Act:
1. Claims covered by the Association do not include a claim by or against an insured of an insolvent insurer, if the insured has a net worth of more than \$25 million on the later of the end of the insured's most recent fiscal year or the December thirty-first of the year next preceding the date the Insurer becomes insolvent; provided that an insured's net worth on such date shall be deemed to include the aggregate net worth of the insured and all of its affiliates as calculated on a consolidated basis. If the insured prepares an annual report to shareholders, or an annual report to management reflecting net worth, then such report for the fiscal year immediately preceding the date of insolvency of the Insurer will be used to determine net worth.

2. Payments made by the Association for covered claims will include only that amount of each claim which is less than \$300,000. However, the Association will not:
 - a. Pay an amount in excess of the applicable limit of insurance of the policy from which a claim arises;
 - b. Pay for any amount that has been awarded as punitive or exemplary damages; or
 - c. Return to an insured any unearned premium in excess of \$25,000.

These limitations have no effect on the coverage the Insurer will provide under this policy.
