All claims under this Policy must be submitted to the Travel Insurance Administrator no later than one year after the date of Loss or insured occurrence or as soon as reasonably possible. If the Travel Insurance Administrator has not provided claim forms within 15 days after the notice of claim, other proofs of Loss should be sent to the Travel Insurance Administrator by the date claim forms would be due. SECTION VI

GENERAL PROVISIONS

Entire Contract; Changes. This Policy, Schedule of Benefits, Application and any attachments are the entire contract of insurance. In the absence of fraud, all statements made by the Insured will be considered representations and not warranties. No agent may change it in any way. Only an officer of the Company can approve a change. Any such change must be shown in this Policy or its attachments.

Acts of Agents. No agent or any person or entity has authority to accept service of the required proof of loss or demand arbitration on the Company's behalf nor to alter, modify, or waive any of the provisions of this Policy.

Physical Examination and Autopsy. The Company at its own expense has the right and opportunity to examine the person of any Insured whose Loss is the basis of claim under this Policy when and as often as it may reasonably require during the pendency of the claim and to perform an autopsy in case of death where it is not forbidden by law.

Beneficiary Designation and Change. The Insured's beneficiaries are the persons designated by the Insured and on file with the Travel Insurance Administrator or the beneficiaries as shown in the Payment of Claim: To Whom Paid provision.

An Insured over the age of majority and legally competent may change his or her beneficiary designation at any time, without the consent of the designated beneficiaries, unless an irrevocable designation has been made, by providing the Travel Insurance Administrator with a written request for change. When the request is received, whether the Insured is then living or not, the change of beneficiary will relate back to and take effect as of the date of execution of the written request, but without prejudice to the Company on account of any payment made by it prior to receipt of the request.

Assignment. An Insured may not assign any of his or her rights, privileges or benefits under this Policy.

Conformity with State Statutes. Any provision of this Policy which, on its effective date, is in conflict with the statutes of the state in which this Policy is delivered is hereby amended to conform to the minimum requirements of those statutes.

Clerical Error. Clerical error, whether by the Insured or the Company, will not void the insurance of any Insured if that insurance would otherwise have been in effect nor extend the insurance of any Insured if that insurance would otherwise have ended or been reduced as provided in this Policy.

Misstatement of Age. If premiums for the Insured are based on age and the Insured has misstated his or her age, there will be a fair adjustment of premiums based on his or her true age. The Company may require satisfactory proof of age before paying any claim.

Legal Actions. No action at law or in equity may be brought to recover on this Policy prior to the expiration of 60 days after written proof of Loss has been furnished in accordance with the requirements of this Policy. No such action may be brought after the expiration of 3 years after the time written proof of loss is required to be furnished.

Arbitration. If the Company and one or more Insured(s) with respect to the rights of such Insured(s) under this Policy voluntarily agree to arbitration to resolve the dispute, the Commercial Arbitration Rules of the American Arbitration Association shall apply, except with respect to the selection of arbitrators, the payment of arbitration fees and costs, the location and the entry of the arbitration award. Such arbitration shall be non-binding upon all parties.

Selection of Arbitrators: One arbitrator shall be chosen by one side and another arbitrator by the other side. The two arbitrators will select a third arbitrator ("umpire"). If the arbitrators are unable to agree upon an umpire, application shall be made to a justice of the Supreme Court residing in the county or to a county judge of the county in which the damaged property is or was located. Application may be made on five days' written notice to the other party. The court, on proof by affidavit of the failure of the arbitrators to select an umpire, will appoint an umpire. All arbitrators shall be competent and disinterested.

Payment of Arbitration Fees and Costs: Each side shall pay the fee of its chosen arbitrator and half the fee of the third arbitrator. The remaining costs of the arbitration, including legal fees and disbursements, shall be paid as the written decision of the arbitrators directs, with it being expressly understood that the intention is to favor reimbursement of such fees and expenses to an insured that has brought a meritorious dispute. The fees to be borne by a side consisting of more than one Party shall be divided equally among such Parties.

Location: Any arbitration hereunder shall take place in New York, New York, unless otherwise mutually agreed upon by the two sides.

Entry of Arbitration Award: Judgment upon an arbitration award hereunder may be entered in, and enforced by, any court of competent jurisdiction.

Concealment or Fraud. The Company does not provide coverage if the Insured has intentionally concealed or misrepresented any material fact or circumstance relating to this Policy or claim.

Payment of Premium. Coverage is not effective unless all premium due has been paid to the Travel Insurance Administrator prior to a date of Loss or insured occurrence.

Termination of this Policy. Termination of this Policy will not affect a claim for Loss if the Loss occurred while this Policy was in force.

Transfer of Coverage. Coverage under this Policy cannot be transferred by the Insured to anyone else.

Insurance With Other Insurers. If there is other valid coverage with another insurer that provides coverage for the same Loss, the Company will pay only the proportion of the Loss that this Company's Limit for that Loss bears to the total limit of all insurance covering that Loss, plus such portion of the premium paid that exceeds the pro-rata portion for the benefits so determined.

Controlling Law. Any part of this Policy that conflicts with the state law where this Policy is issued is changed to meet the minimum requirements of that law.

Claim Procedures:

Notice of Claim: You must notify the Travel Insurance Administrator as soon as reasonably possible, but no later than 20 days after the occurrence of the Loss, and be prepared to describe the Loss, the name of the Travel Supplier (i.e., tour operator, Cruise line, or charter operator), the Trip dates, purchase date and the amount that the Insured paid. The Company will provide You, or someone acting on Your behalf, with forms for the filing of a proof of loss within 15 days of receiving a notice of claim from You, or someone acting on Your behalf. Claim forms can be found at the web address shown above.

Proof of Loss: You have 120 days from the date of loss to submit your claim to the Travel Insurance Administrator, or as soon after that as is reasonably possible. Failure to furnish such proof within such time will not invalidate nor reduce any claim if it shall be shown not to have been reasonably possible to furnish such proof during that time. All claims under this Policy must be submitted to the Travel Insurance Administrator no later than one year after the date of Loss or insured occurrence or as soon as reasonably possible. If the Travel Insurance Administrator has not provided claim forms within 15 days after the notice of claim, other proofs of Loss should be sent to the Travel Insurance Administrator by the date claim forms would be due. The Travel Insurance Administrator will require information from You for the proof of loss. This will include, but is not limited to:

- written proof of the occurrence;
- type and amount of Loss;
- the Insured's name; and
- the Travel Supplier Name; and
- policy number.

Payment of Claims:

When Paid: Claims will be paid as soon as the Travel Insurance Administrator receives complete proof of Loss and verification of age, but no later than 60 days after receipt of proof of loss.

**To Whom Paid:**

Benefits are payable to the Insured who applied for coverage and paid any required plan cost. Any benefits payable due to the Insured's death will be paid to the Insured's estate, unless written notice of a designated beneficiary is provided to the Company.

Medical Expense Proof of Loss: The Insured must provide the Travel Insurance Administrator with: (a) all medical bills and reports for medical expenses claimed; and (b) a signed patient authorization to release medical information to the Travel Insurance Administrator.

The following provision applies to *Medical Expense*:

Subrogation - In the event that an Insured suffers an Injury or Sickness for which another party may be responsible, such as someone injuring the Insured in an accident, and the Company pays benefits as a result of that Injury or Sickness, the Company will be subrogated and succeed to the right of recovery against the party responsible for the Insured's Sickness or Injury to the extent of the benefits the Company has paid. This means that the Company has the right independently of the Insured to proceed against the party responsible for the Insured's Injury or Sickness to recover the benefits the Company has paid. The Company's right of recovery does not apply when a settlement is reached between a plaintiff and defendant, unless a statutory right of reimbursement exists. When entering into a settlement, it is presumed that the Insured did not take any action against the Company's rights or violate any contract between the Insured and the Company. The settlement between the Insured and the responsible party does not include compensation for the cost of health care services for which the Company provided benefits.

SECTION VI**GENERAL PROVISIONS**

Entire Contract; Changes. This Policy, Schedule of Benefits, Application and any attachments are the entire contract of insurance. In the absence of fraud, all statements made by the Insured will be considered representations and not warranties. No agent may change it in any way. Only an executive officer of the Company can approve a change. Any such change must be shown in this Policy or its attachments.

Acts of Agents. No agent or any person or entity has authority to accept service of the required proof of loss or demand arbitration on the Company's behalf nor to alter, modify, or waive any of the provisions of this Policy.

Physical Examination and Autopsy. The Company at its own expense has the right and opportunity to examine the person of any Insured whose Loss is the basis of claim under this Policy when and as often as it may reasonably require during the pendency of the claim and to perform an autopsy in case of death where it is not forbidden by law.

Beneficiary Designation and Change. The Insured's beneficiaries are the persons designated by the Insured and on file with the Travel Insurance Administrator or the beneficiaries as shown in the Payment of Claim: To Whom Paid provision.

An Insured over the age of majority and legally competent may change his or her beneficiary designation at any time, without the consent of the designated beneficiaries, unless an irrevocable designation has been made, by providing the Travel Insurance Administrator with a written request for change. When the request is received, whether the Insured is then living or not, the change of beneficiary will relate back to and take effect as of the date of execution of the written request, but without prejudice to the Company on account of any payment made by it prior to receipt of the request.

Assignment. An Insured may not assign any of his or her rights, privileges or benefits under this Policy.

Conformity with State Statutes. Any provision of this Policy which, on its effective date, is in conflict with the statutes of the state in which this Policy is delivered is hereby amended to conform to the minimum requirements of those statutes.

Clerical Error. Clerical error, whether by the Insured or the Company, will not void the insurance of any Insured if that insurance would otherwise have been in effect nor extend the insurance of any Insured if that insurance would otherwise have ended or been reduced as provided in this Policy.

Legal Actions. No action at law or in equity may be brought to recover on this Policy prior to the expiration of 60 days after written proof of Loss has been furnished in accordance with the requirements of this Policy. No such action may be brought after the expiration of 3 years after the time written proof of loss is required to be furnished.

Arbitration. The Company and one or more Insured(s) with respect to the rights of such Insured(s) under this Policy may be submitted to voluntary arbitration if both parties mutually agree. The Commercial Arbitration Rules of the American Arbitration Association shall apply, except with respect to the selection of arbitrators, the payment of arbitration fees and costs, the location and the entry of the arbitration award.

Selection of Arbitrators: One arbitrator shall be chosen by one side and another arbitrator by the other side, and a third arbitrator shall be chosen by the first two arbitrators before they enter into arbitration. All arbitrators shall be disinterested.

Payment of Arbitration Fees and Costs: Each side shall pay the fee of its chosen arbitrator and half the fee of the third arbitrator. The remaining costs of the arbitration, including legal fees and disbursements, shall be paid as the written decision of the arbitrators directs, with it being expressly understood that the intention is to favor reimbursement of such fees and expenses to an insured that has brought a meritorious dispute. The fees to be borne by a side consisting of more than one Party shall be divided equally among such Parties.

Location: Any arbitration hereunder shall take place in New York, New York, unless otherwise mutually agreed upon by the two sides.

Entry of Arbitration Award: Judgment upon an arbitration award hereunder may be entered in, and enforced by, any court of competent jurisdiction.

Concealment or Fraud. The Company does not provide coverage if the Insured has intentionally concealed or misrepresented any material fact or circumstance relating to this Policy or claim.

Payment of Premium. Coverage is not effective unless all premium due has been paid to the Travel Insurance Administrator prior to a date of Loss or insured occurrence.

Termination of this Policy. Termination of this Policy will not affect a claim for Loss if the Loss occurred while this Policy was in force.

Transfer of Coverage. Coverage under this Policy cannot be transferred by the Insured to anyone else.

Insurance With Other Insurers. If there is other valid coverage not with the Company, providing benefits for the same loss on a provision of service basis or on an expense incurred basis and of which the Company has not been given written notice prior to the occurrence or commencement of loss, the only liability under this policy shall be for such proportion of the loss as the amount which would otherwise have been payable hereunder plus the total of the like amounts under all such other valid coverages for the same loss of which the Company had notice bears to the total like amounts under all valid coverages for such loss, and for the return of such portion of the premiums paid as shall exceed the pro-rata portion for the amount so determined. For the purpose of applying this provision when other coverage is on a provision of service basis, the "like amount" of such other coverage shall be taken as the amount which the services rendered would have cost in the absence of such coverage.

Conformity with State Statutes. Any provision of this Policy which, on its effective date, is in conflict with the statutes of the state in which the Insured resides on such date is hereby amended to conform to the minimum requirements of such statutes.
